Your Future With Satan The Devil Forever!

“Many do not want Me, My son. They actively seek out My enemy, Satan. That is who they prefer over Me, the Risen LORD. All are born into the sin nature, My son, and are active Satanists, whether they realize it or not. All are born with the sin nature of the Devil and live like the demons on the Earth. That is their nature. I came that their sin nature might be nullified by My power of the Risen Christ, transforming their lives into those like Me. My enemy Satan is nullified by My power of the Risen Christ, transforming their lives into those like Me. My enemy Satan is nullified out of their lives by the New Birth, and I transform them into My New Creation, no longer like the Devil they served all their lives. Not all want Me, the Risen LORD, for they prefer Satan to Me, My son. They want to obey their Dark Lord, and want no part in My Christianity, My son. They shall be damned forever, for they have rejected the only hope they have for eternal salvation. Into the Lake of Fire they shall burn, and that for all eternity, My son. They want Me not, the Risen LORD and Savior of all mankind, and shall have their part in the Lake that burns for all eternity, My son. Many do not want Me and have rejected My plan of salvation for them. They shall burn forever with Satan and his demons, for they have rejected Me, the Risen Christ. Oh, how My Hell burns with the millions who have rejected Me. They shall never be saved for all eternity. Pray that you be not one of the lost sinners who shall enter eternal Hell fire but shall be saved by My grace and mercy. My people want Me not, who have chosen an eternity of sin apart from Me by their wicked sinfulness. Many there are who reject Me, having other masters, principally Satan and his demons. They act like the Devil and will not come unto Me, because they love Satan and do all his will in sinfulness on Earth. Many they lead astray in their rebellion against Me, and shall never be saved, for they chose evil over Me. Many of My people live in rebellion out of ignorance against Me, and perhaps they have a chance to be saved and come out of the snare of the Devil after they have come to their senses, My son. My Father made eternal Heaven available to all men, but few choose My offer of salvation, My son. Oh, how does My Hell burn against them, and My wrath shall be evident against them, burning for all eternity. Oh, how does My wrath burn against all who reject Me but prefer a life of sin. Having rejected the Son of God they shall enter eternal Hell fire forever. After they are judged on My Great Day of Judgment, they shall be flung into My Lake of Fire to burn forever. That they shall ever be. Amen.”
